COLLEGE OF FINE ARTS SCHOLARSHIP REQUIREMENTS
Arts Administration Program
Undergraduate Students

• Must be a Arts Administration Program full-time major or declared minor during the semester in which the scholarship is awarded and making satisfactory progress in major applied study

• Cumulative GPA of 3.0*
  *Students receiving CFA Scholarships are granted one semester of scholarship probation. Scholarship funds will not be provided during the probationary semester. A scholarship recipient whose cumulative grade point average falls below 3.0 at the May grade review will be placed on scholarship probation for the following term. A scholarship will be reinstated for a student on probation only if the student completes twelve (12) credit hours and earns a cumulative grade point average of 3.0 or higher by the end of the probationary semester. There is no probationary semester for students who drop below full-time status.

• Cumulative minimum of twenty-four (24) credit hours over the academic year and be in compliance with all Department/CFA/University policies of conduct, including those found in the “Student Rights and Responsibilities” (http://www.uky.edu/deanofstudents/student-rights-and-responsibilities)

• Participate in all unit activities as assigned

• Transfer students or currently enrolled UK students are eligible through the equivalent of their eighth semester of undergraduate study; semesters of prior college enrollment at UK and other institutions are considered in the total eight (8) semesters

• Summer term awards for majors and/or minors participating in on-campus College-related activities (e.g., Grand Night for Singing, Summer Band Camp, Theatre/Dance Intensive, Arts Administration Internship) will be capped at the cost of one 3-credit course based on residency status; coursework must support the requirements for the degree

• Scholarship awards will not exceed the cost of attendance, as defined on the “Tuition and Fees” page of the Student Financial Aid website: http://www.uky.edu/financialaid/

• If the total monetary value of UK scholarships and any federal, state, or private need-based or non need-based awards for any student exceeds the cost of attendance, the Student Financial Aid Office will adjust the monetary value of the awards accordingly each year

• Students who drop a course may be liable for the expenses incurred. Scholarship money credited to the payment of dropped courses may be removed and the student may be billed for any costs incurred. Students who fail to complete and pass twenty-four (24) credit hours between the fall and spring semesters will lose the remainder of their scholarship.

• Scholarship awards will be limited to lump sums payable in the fall and spring only.
