Summer, 2015

Dear Participant:

Welcome to the 29th year of Orff Schulwerk Teacher Education at the University of Kentucky. We will offer Levels One and Two, June 15-26. Cindy Hall and Betsy Kipperman will teach the ensembles, pedagogy and recorder; Sarah Richardson will teach movement. Jay Broeker will conduct the Curriculum Development advanced Orff course June 15-19 for those who had completed at least Level 2 Orff teacher education. By special request, Sarah Richardson will conduct a five-day afternoon workshop on using arts activities to align with the core standards; this workshop is open to all without pre-requisites. Also, this summer, we will offer two levels of eurhythmics, solfège, and improvisation at our Dalcroze Institute, July 13-24, taught by Todd Anderson and Kathy Thomsen. The content of the eurhythmics follow those guidelines of the newly formed American Eurhythmics Society. I am again fortunate to have Nicola Mason continuing to assist me with our Orff program.

Orff Level courses meet Monday-Friday for two weeks from 8:20 am to 4:30 pm, June 15-19 and June 22-26. The Dalcroze courses will meet 9 am to 4 pm, July 13-17 and July 20-24. You will find information and materials about admission, housing, parking etc, in the course packet. Registration will take place the first day 20 minutes before session starts, at the Schmidt Vocal Arts Building, on Rose Street across from the Singletary Center for the Arts. We will collect the balance of the workshop fee that day. We can accept cash or check, but not credit cards. Please arrive early so we can start the first session with a brief introduction promptly. The Kentucky Orff Schulwerk Association Chapter will provide lunch on June 15 so you can relax and get acquainted with everyone.

Registration for University Credits:
For those participants who wish to obtain university credits, we can assist you with admission and registration. University credits are optional. These credits can be used to apply towards the 12-hour curriculum in the UK Graduate Certificate in Orff Schulwerk, the Master’s Degree, or Rank-One in Music Education, or as electives in other programs. (Graduate Certificate in Dalcroze is pending approval, but you can enroll for graduate credits.) Students from outside of Kentucky are eligible to pay in-state tuition with appropriate registration (designated with section 220 or higher).

a) If you choose not to receive credit, you will pay the workshop fee only. You do not need to apply for UK admission or register for a course. Note that UK will not grant credit for coursework retroactively.

b) If you wish to earn credit, you must be admitted or readmitted to the University, register for the course, and pay the regular UK tuition fee in addition to the workshop fee. The graduate tuition for summer 2015 is $596 per semester graduate credit. Bring a copy of your transcript if you wish to register for credits on site.

Please read additional information given. If you have further question, please do not hesitate to contact us. Visit our web site for related links. Once again, thank you very much for your support.
